

AJAY KUMAR GARG ENGINEERING COLLEGE

College closure upto 14 April 2020

25 March, 2020

In view of the continuing threat of spread of Covid 19 virus and the announcement by the Hon'ble Prime Minister with regard to lock down for three weeks, the college will continue to be closed up to 14 April, 2020.

All are once again advised to strictly adhere to all advisories being regularly given by the government and maintain social distancing. We being the educated elite are expected to exercise utmost self discipline as well as guide our family and friends for strict compliance of all precautionary measures.

The best way to avoid boredom and loneliness in this period of extended isolation, is to stay gainfully occupied.

Stay safe, healthy and happy.

Best wishes,

Dr R K Agarwal
Director General
