

AJAY KUMAR GARG ENGINEERING COLLEGE

Notice For Mandatory Assignment

27 March, 2020

In view of the extended closure of the College in accordance with the Government orders, the faculty has been proactively sending study material to the students through various modes and the response from the students has been very positive.

It has been decided that the scheduled Sessional Test – II, that got missed due to this closure, will be conducted in the form of a mandatory assignment in each course. The assignment is to be submitted by the students digitally through scanned copy or photo of hand written answers on email/ WhatsApp to their respective subject faculty in single pdf file.

The syllabus, schedule and other modalities will be as follows :

1. **Syllabus** : Units 2, 3, 4
2. **Schedule** : wef 07 April, 2020 with one assignment for each day as per the date sheet to be issued by Controller of Examination.
3. **Max. Marks** : 100
4. This assignment will comprehensively cover all topics in units - 2,3,4 and will be based on the end semester question paper pattern. Students are encouraged to answer all questions, even where a choice is given. The marks for the best answer will be considered. The score in the assignments will go towards sessional assessment.
5. The assignment will be uploaded between 9 am and 10 am by the faculty on the scheduled day. These are to be submitted digitally through scanned copy or photo of hand written answers on email/ WhatsApp etc by 7 pm on the same day.
6. It is mandatory for all students to submit the assignments. Late submission (beyond 7 pm on the scheduled date) will not be considered for evaluation.

Students are advised to prepare for the assignments sincerely and not to copy or share the answers with each other. They must treat this as an opportunity to prepare for the final examination considering that there may not be sufficient time once the College reopens. The faculty will evaluate the assignments based on the originality of the answers and answers common to a group of students will not be considered for evaluation.

Let us all work towards mitigating the adverse impact of Covid 19 virus on our academics and overcome this unprecedented challenge with strong resolve.

Stay safe, healthy and happy.

Dr R K Agarwal
Director General
