## Cultural/Technical Society Details required for the session (2021-2022)

### GOONJ

GOONJ, the dramatics society of Ajay Kumar Garg Engineering College, Ghaziabad, founded in 2005, encompasses every domain related to dramatics. The domains mainly include Play, Skit, Nukkad-Natak, Mime, Mono Act, Stand-up comedy, Hindi Debate, Ad-Mad and much more.

Different domains inculcate different skills, thus being a part of Goonj requires a person's wholesome development. The objective of the society is to foster social and intellectual activity among the students and to create interest in and encourage talent for Drama and Theatre.

Dramatics is not just about imitating a character or a situation, it is more about observing real life issues, events or daily aspects of life and expressing them to bring about a change for the betterment of society. It is all about representing an idea, an idea which is expressed through acting. But acting is again living in a different character, it needs possession of every detail of the character and transforming oneself into a different person. Dramatics is a way by which ideas and people evolve into something different which creates a change, an awareness in people.

For the purpose of providing a platform to the students of AKGEC to hone their skills in dramatics, GOONJ also provides exposure to external opportunities. Goonj has always taken part in various fields of dramatics and has been victorious bringing glory to college.

## **MALVIYA SPORTS TOURNAMENT 2023, MNIT, Jaipur**

A Total of 10 volleyball men teams participated in the tournament. The teams were divided into 4 pools with our team being in pool A. Our pool consisted of two other teams that were the University college of Engineering and Technology, Bikaner and National Institute of Technology, Uttarakhand. The matches were held in rotation format. Our first match was scheduled with UCET, Bikaner on 23/03/2023 at 7:00 am that we lost by a close margin in a best of 3 game with the score being 25(AKGEC)-27(UCET) in the first set and 23(AKGEC)-25(UCET) in the second set. We were against the best team of the tournament in our first match itself. The absence of our 2<sup>nd</sup> year players affected our performance.

Unusually, the inaugural ceremony was held later that day. Ram Kumar Sehrawat who is a former Indian basketball player and coach of the junior Indian team was the Chief guest and was accompanied by the director of the college Dr. Narayan Prasad Padhy and the Dean Student welfare Prof. Mahesh Kumar Jat. The chief guest delivered a motivating and energizing speech that was followed by the cultural program organized by various societies of the college.

The Next day 24/03/2023 our match was scheduled with NIT, Uttarakhand at 7:00 am in the morning. Our team was awarded the win since the opposing team was not present in the ground even after 45 minutes of waiting and several calls from the officials. We became the pool runner with one win and one loss, but the pool winner was only allowed to proceed further in the tournament.

We are very thankful to our director general Dr. R.K. Agarwal for allowing us to participate in this prestigious tournament. We are also thankful to our DSW Prof. V.K. Parashar and Sports Officer Mr. Pratap Singh for supporting as well as motivating us to participate in the tournament. This tournament provided us with new experience and strategies to work on our sport which will help us to perform better in the upcoming AKTU zonal and states tournament.
